THE undersigned having purchased the Right to manufacture the Ohio Mower and Reaper is now adding large additions to his already ex-tensive establishment where he has been largely engaged in the manufacture of Agricultural Implements, and realizing the necessity of having a First class Harvester manufactured at home has now in course of constrution our Harvester of 1864. Having employed none but first class mechanics he feels warranted in saying that he will turnish the very best machine that is made and, thereby avoiding the expense to the farmers of sending to Buffalo, Springfield, Cleveland, or any other place to purchase a machine for doing their Harvesting. Now farmers look to your ewn interest and call and see my Machines before you purchase else-where. I have my agents appointed throughout the ter-ritory assigned me and will publish their names shortly so that any one ordering through them may rely kpon being fairly dealt with.
